**A Resource Guide for  
Veterans and their Families**

**WE HELP VETERANS JUST LIKE YOU  
WIN THE BENEFITS THEY DESERVE!**

**Check out a recent Case Spotlight featuring a win with the help of  
our very own Attorney & Veteran Jason Pearson:**

"Attorney Jason Pearson at Disability Law Group recently helped a veteran client receive a 100% rating dating back more than a decade. His client served in both the Air Force and the Army, and he developed significant hearing loss and tinnitus with vertigo in service, resulting in a diagnosis of Meniere's Disease..."

Based on the inadequate examination, VA denied the veteran's request for an increase in rating...

The veteran came to our firm in November 2021, well past the one-year date for a traditional appeal...So we took his case! ...A few weeks later, VA issued a new decision which granted a rating for 100% for Meniere's Disease effective November 2010. We are all very glad that the veteran did not give up."
